

Coverage of Patent-Issuing Authorities by *Derwent World Patents Index*[®] and *DWPI First View*SM

Derwent World Patents Index is the most comprehensive database of value-added patent documents in the world. Whether you are interested in patents for their technical content, for business planning and development, or for protecting the innovations within your own organisation, *Derwent World Patents Index* will give you the most complete picture possible.

1.5 million patent documents are added to the database each year, covering patents issued by national patent offices (shown in bold), regional patent issuing authorities (EPO), and international patent issuing authorities (WIPO).
